

TGPC Counter at TCEQ ETF 2015

Leon Byrd

The photograph shows a trade show booth for the Texas Groundwater Protection Committee (TGPC). The booth is a white counter with a laptop displaying a website, a mouse, a small orange bowl with rocks, and a sign that reads "Baby Aquifers" with the slogan "JUST ADD WATER...". Below the counter, there are three posters: "Major Aquifers of Texas", "Major Aquifers Material", and "Minor Aquifers of Texas". The background shows other trade show booths and people.
